*Dear Constituent:*

Thank you for the opportunity to serve the approximately 52,000 residents in Milwaukee, Greenfield, and Franklin, which make up the 11th District.

Each year there are several "hot-button" issues on which many constituents want to be heard (obviously there are more than those listed below, but these generated the most interest).

- Milwaukee County Board Chairman Lee Holloway. Unfortunately, this is a story that will not go away. For the record, when this County Board voted in April 2004 to elect its chairman, Supervisor Holloway won on a vote of 16-3. Yes, I was one of the three to vote against his candidacy. Since that time, I have constantly tried to have him step down. The process has been stalled by various strategies. I will continue my efforts because I feel this County Board is somewhat paralyzed.

- Milwaukee Connector. How about "son of light rail." I think many of you remember my early opposition to light rail, plain and simple, my opposition has not changed. The bottom line is we cannot afford it, plus we already have transit (bus) system in place.

- Taxes. The last two budgets presented by the County Executive to "freeze" taxes, I have supported. That includes supporting any vetoes on specific increases.

As always, you can contact me anytime, in any way-please see the newsletter below for numbers and addresses.

## 25 Years of Service

I would once again like to mention those residents of the 11th District who have worked for the County for 25 years or more. I am extremely proud of the fact that so many hard working, industrious Milwaukee County employees are members of my district. Those

people with 25 years of service are: Dennis Tillman, Richard Angeles, Margaret Mildren, Jon Priebe, Dawn Marie Sass, and Robert Nowicki. Congratulations and keep up the great work.

# Upcoming Activities at the Milwaukee County Sports Complex

The Milwaukee County Sports Complex, located at 6000 West Ryan Road in Franklin, is a 55,000 square foot multi-use facility. The facility can be used for basketball, soccer, 9 hole disc golf, indoor skating, dodge ball, and there is even a batting cage for all you baseball players. There are three outdoor fields where soccer, lacrosse and rugby are played.

There are many exciting upcoming activities happening at the sports complex this summer including the Ironman semi-pro Football League games; the season runs from June 24 through September 16. Also, the 50th Annual Franklin Family Day is Aug 19, 2006. Use the website [www.ci.franklin.wi.us](http://www.ci.franklin.wi.us) for more information on all the Family Day activities.

If you have any questions about the sports complex, please contact Dawn Turnipseed at 423-9267 or via e-mail at [dturnipseed@milwcnty.com](mailto:dturnipseed@milwcnty.com).

# Eagle Scout Beautifies Lyons Park

Chris Dubis, an 11th District resident, helped beautify the district this spring. For his project to attain the rank of Eagle Scout, Chris used Lyons Park.

Chris spent numerous hours to make his project possible. He made and distributed pamphlets to his community to have people who lived around the park and other volunteers involved. He organized his volunteers to help clean up Lyons Park. Chris made and put up bat and owl houses so animals would have a habitat suitable to live in.

Chris's project benefited the Milwaukee County Park System and the Weed-Out! Project. The Weed-Out! Project's purpose is to remove all invasive species, which can be harmful to other plants in the park. There are many common invasive species in the park

like buckthorn, honeysuckle, and garlic mustard. Chris decided to organize a clean up in the park to show people how invasive species in the park harm the ecosystem and how everyone can help the park by removing them.

Chris's project benefits Lyons Park in several ways. Birds benefit because more plants can grow with the removal of the invasive species. Bats benefit because they will not have to compete for shelter. Finally, the surrounding community will benefit because they will become more educated and aware about what invasive species are and how they affect the

Supervisor Borkowski joins Chris Dubis, his parents, and friends who helped Chris with his Eagle Scout project. Chris is the third Dubis boy to become an Eagle Scout!

plants and animals that live in the park.

Chris Dubis is an excellent example of the dedication and commitment that can be given to the community.

# Father Schubert Celebrates 50 years in the Priesthood

Supervisor Borkowski congratulates Greenfield resident Father Schubert on the occasion of his 50 years in the priesthood.

An 11th District resident, Father Herbert Bernard Schubert has served 50 years in the priesthood and has achieved a career mile-

stone. Father Schubert attained the Golden Jubilee of his Ordination to the Holy Priesthood and was recognized for this achievement on June 4, 2006.

Herbert Schubert was ordained as a Priest by the late Albert Cardinal Meyer at St. John's Cathedral on Saturday, May 26, 1956.

Father Schubert served at Blessed Sacrament Parish and St. Lawrence Parish, in Milwaukee. He then served as Pastor at St. Adalbert Parish in South Milwaukee until his retirement.

Father Schubert served as a member of the Milwaukee Priest Senate, was a member of the Milwaukee Archdiocesan Priest Personnel Board, and was a Diocesan Representative to the Xaverian Fathers. He is active with the Knights of Columbus.

Congratulations, Father Schubert on your many years of dedicated service and your well-earned retirement.

## Award Winners

I am proud to recognize Corrie Rude for achieving the Girl Scout Gold Award and Travis Manore for achieving the Eagle Scout Award. Both awards are the highest attainable rank in their respective organizations the Boy Scouts and Girl Scouts of America. Their civic participation shows the promise of today's younger generation.

Supervisor Borkowski with the Rude family, daughter Corrie achieved the Girl Scout Gold Award, the highest attainable rank in the Girl Scouts for her work at St. Alphonsus School. Corrie also received a service award from St. Alphonsus for her many hours of service. Corrie may be the first constituent to achieve this honor since I have been a supervisor. I am very proud of her.

## Volunteers Honored

Franklin Area 627 of the Girl Scouts of Milwaukee honored numerous volunteers with the President's Volunteer Service Award, a national honor given for recognition of volunteer service. Established in 2003, the award is given on an annual basis to individuals, groups, and families who have volunteered the required hours and have shown exemplary citizenship through volunteering.

The award was given to 101 volunteers who

contributed more than 41,000 service hours in a twelve-month period.

The members of Franklin Area 627 of Girls Scouts of Milwaukee Area have volunteered service to their community for many years. The volunteers perform community service projects and mentor area girls by teaching them new skills.
